

# SUMNER

## A MOBILE PIPE CART

- Transports 2,000 lb (900 kg) of pipe, individually or up to a height of 34" (86cm)
- Six 6" (15cm) heavy duty casters
- Centre-positioned casters makes rolling the Pipe Mac easy and enables quick cart rotation for tight turns
- Posts pull out for compact storage
- Stacks when not in use

Specifications	inch	cm
Height (stowed)	19.5	49.5
Height (operating)	44.0	111.7
Length	58.5	148.6
Width	33.0	83.8
Ground clearance	7.5	19.4
Post Height	34.0	86.4

Part No.	Description	Weight	
		Lb.	Kg.
783230	Pipe Mac	170.0	77.1

The picture illustrates how easily a bundle of conduit is loaded and awaiting customer pick up. The Pipe Mac does away with the need for simultaneous forklift or pallet truck use when moving long lengths like conduit and cable trays thereby saving man hours, and providing a simpler, safer solution. Please call Brad de Lacy, at Blackwoods Electrical (08-9274 4511) to hear first hand how the Pipe Mac has increased stock-moving efficiency at his store.
