

GREYHOUND TORCHES

MADE IN USA

- 175 amp tig torch, close to the size of the TM17.

- Standard 10N series parts, as per TM17/18/26’s.
- Better life span than pushing a 150 amp torch @ 175 - 180 amps.
- Single piece or 3 pieces set up available.
- 3 pieces with “Yellow” short coil, close and precise feel.
